Juniors are warmly invited to attend our Independent Athletes Development Camp to be held at Tyamolum Scout Camp, near Brisbane, from 26th September to 5th October, 2025. This camp is being held to enable you to participate in the Australian Orienteering Championships Carnival, including the Australian Schools Orienteering Championships (ASOC) with a full camp experience.
The camp will include coaching, participation in all events, transport, fun activities, social connections and more. There are residential and day camper options.
**Event entries do not form a part of the costs of this camp. You will be expected to enter yourself in events separately. For ASOC events, you need to enter yourself in the Independent Athlete (IA) category.
Please download the documents on this page for detailed information.
