Santa 6 Days 2025 - Event 1: City Botanic Gardens (Gardens Point)

Orienteering Queensland is excited to bring you the 6th Santa 6 Days - our Christmas-to-New-Year series of free MapRun events. Six days, six locations, and plenty of opportunities to walk, jog or run your way through Brisbane's west and south sides.

2025 Line-up:
Event #1 - Dec 26: City Botanic Gardens (Gardens Point)
Event #2 - Dec 27: Anzac Park, Toowong
Event #3 - Dec 28: Meadowlands (Minnippi Parklands)
Event #4 - Dec 29: Cliveden Park, Fig Tree Pocket
Event #5 - Dec 30: Norman Creek, Coorparoo
Event #6 - Dec 31: Sherwood Arboretum

Each event features three course options:
• Long and Short Line Courses - visit the controls in the exact order shown on the map.
• 40-minute Score Course - choose any controls in any order. The aim is to collect as many points as possible within the 40-minute limit. If you return late, you lose 30 points for every minute or part-minute over time. Strategy and timing make all the difference.

Events unlock at midnight each day, with maps available to download on Eventor and MapRun the afternoon before. All events are free, and you can complete them anytime after they become available.

You can take part solo or in a group. Newcomers are welcome, and no compass or prior experience is required!
