With the easing of COVID-19 travel restrictions, we are offering a socially-distanced DIY version of Night Nav:

This week it's in Chapel Hill ("CICADA PARK A"). Nestled under Mt Cootha, it's a mix of flat and hilly streets, interesting pedestrian shortcuts, and forest paths.
- Download your MAP via the link below right
- Run anytime Sat am to Wed eve
- Respect the current COVID-19 restrictions at all times

- The "normal" start/finish is Cicada Park, intersection of Ironbark Rd and Birchley St (street light on park side of the road).
- If you have installed MapRunF version 4.8.8 you can "Start Anywhere"
---- Open the event, tap "Go to Start" and visit any control
---- That control will become your Start and Finish (worth 0 points)
---- The original Start/Finish will become control number 121
---- Remember to finish where you started.

- You can run day or night!
- No PIN is required
- Free!
- Look out for the Results Email on Thursday.
