### EVERY ONE WELCOME

Special Courses to whet the appetite for the great spread later. School holidays so some special fun for the children and adults who feel lazy, before getting into the goodies on offer.

This is the Christmas breakup. We will be having a cold summer style repast. No need to bring anything for the main meal, it is all provided for, including drinks.

If you would like to bring along some sweets for afters please do so. Also it would be a good idea to bring your own chair and maybe some 'fighting irons' (that's knife fork and spoons for those who don't know).
