Welcome to the bonus 11th event of the 2014/15 Summer Sundown Street Score Season. As always we have a mass start at 6pm and you have 60 minutes to clip as many controls as possible. Don't finish late because the penalties are harsh.

All controls are in parkland or bush, some of it scratchy. There are many busy roads to cross. Sunset is 5:53 and last light 6:16pm and there is only a crescent moon so bring a torch.

You are welcome to ride your MTB at this event.
