Welcome to the 12th event of the 2014/15 Summer Sundown Street Score Season. As always we have a mass start at 6pm and you have 60 minutes to clip as many controls as possible. Don't finish late because the penalties are harsh.

We will use a brand new map called "Loder's Creek" which covers the suburban northern part of Southport.

All controls are in parkland or bush, some of it scratchy. There are many busy roads to cross.

There is neither sunlight nor moonlight during the event.

You are welcome to ride your MTB at this event.
