This is Race 2 of the 4 Race Series. Winners will be calculated on the **best 3 out of 4, so it's not too late to be a part!** It's also ok if you just want to come for one event and not be a part of the series.

IF YOU REGISTERED LAST WEEK, THERE IS NO NEED TO ENTER AGAIN, WE WILL ASSUME YOU ARE COMING BACK. IF YOU WANT TO DO A STREET O COURSE AS WELL, PLEASE ENTER ONLINE FOR THAT COURSE ONLY. Choose '$0 already paid', and we will sort out payments on the day. Extra courses cost $2 per person.

This week's bonus points: all parents who complete either the easy or very easy course will score a point for your team!

There are 4 races in the series for teams of 2 to 4 juniors, designed to introduce you and your friends to this great sport! Each team is allowed one member aged between 14 and 20, but the others must be 13 or under (as at 1/11/15).

Prizes for series winners plus random draws at Race 4. Bonus points for participating parents (Race 2) and team uniforms (Race 3). Mystery bonus points announced at Race 3.

There are two courses available for Map Mates - easy and very easy. If this is your first orienteering event, please enter the very easy course. If you have done orienteering before you may prefer to enter the easy course. Both events are worth the same points for Team scoring purposes.

How to score points: Each team member who completes their course will score points. Points will depend on the number of entrants. If there are 20 entrants, the winner will get 20 points, then 19, 18 and so on down to 1 point for 20th place. If there are 60 entrants, the winner will get 60 points!

There are also 3 Street O events for those not competing in the Map Mates series (Short, Medium and Long). You can be part of Map Mates and do a street o.
