Welcome to the first event of the 2015/16 Summer Sundown Street Score Season, rather different from our Sunday Park events.

Arrive with plenty of time to register and prepare yourself and your gear.

The mass start is at 6pm and you have 60 minutes to clip as many controls as possible.

Don't finish after 7pm because the penalties are harsh; you will need some way to track the time.

All controls are in parkland or bush, some of it scratchy. There are many busy roads to cross, so this is not suitable for unaccompanied youngsters.

Sunset is 6:29, last light 6:55pm and there is no moon, so bring a torch.

Please consider carrying your phone for safety reasons. Please program into your phone Mark's number: 0404 50 99 24.

You are welcome to ride your bicycle at this event.
