Welcome to the second event of the 2015/16 Summer Sundown Street Score Season, rather different from our Park events.

Arrive with plenty of time to register and prepare yourself and your gear.

The mass start is at 6pm and you have 60 minutes to clip as many controls as possible.

Don't finish after 7pm because the penalties are harsh; you will need some way to track the time.

All controls are in parkland or bush, some of it scratchy. A large number of controls are in contiguous parkland with only one street crossing so this event could be suitable for an unaccompanied youngster.

Sunset is 6:34, last light 6:59pm and there is no moon, so maybe bring a torch.

Please consider carrying your phone for safety reasons. Please program into your phone Mark's number: 0404 50 99 24.

You are welcome to ride your bicycle at this event.
