Special event for GRANDPARENTS DAY!

A fun recreational activity for the whole family. Kids love it! Time yourself with an electronic timing chip as you follow a special map using a grid pattern in a small area (similar to a maze). Lots of courses to try, from very simple to devilishly difficult. Full instruction given.

This is a GOLD'n'Kids event suitable for all ages. Newcomers of all ages welcome!

Entry \$5. Family maximum \$12.
