Please park outside on the road, don't drive onto the dirt road, there is limited space and reversing out is no fun.

This area is delightful fast running gully spur and the map is superb. Your courses are printed at 1:7,500 to accommodate densely positioned controls.

Medium 3.2 moderate climb 23 controls

We are planning as an experiment to also make this course available on MapRun, please run with your phone / watch if convenient. The flags are already out and will be taken in after the event, but the MapRun course will remain available.
