=====

The first major knockout event to be run in Queensland and the first opportunity for non-elite orienteers to participate in a knockout event; there will be changes in location and areas of map to keep each of the four races fresh as the wheat is sorted from the chaff.

A public knockout is offered in the Public Competitive and Moderate Classes (separate Mens and Womens). Note in ALL classes your entry qualifies you for at least one run on each of the two maps being used.

Further information is at <https://www.easter2022.com.au/event-overview.html> and in Bulletin 1.
