EVENT CANCELLATION

Sunshine Orienteers BIKE WEEK event – 10th March 2012

Beerburrum State Forest: After spending many hours out in the forest today, 28th February, 2012 and due to the amount of water still on tracks, from the unprecedented rain of the last couple of weeks, this has rendered the forest tracks unsuitable with respect to access and rider safety. After much consideration this leaves us with no alternative but to **cancel** our FREE BIKE WEEK 'Come And Try It' event of 10th March 2012.
