Optional head to head mass start: All hard courses have been set with 'relay' style forking and/or butterfly loops to make a challenging mass start race. Normal time-trial start also available. If you would like to take part in the mass start then enter the mass start course. There will be forking on the mass start courses.

Mass start will go in 'waves' at 9:30am

Sausage sizzle and cake stall to raise money for Brain Cancer research (all takings go to the Cure Brain Cancer Foundation).

Prizes: Free lunch for mass start winners and a special cash prize for any male who can break 6min/km and any female who can break 7min/km (based on official as-the-crow-flies course distance)

Park under the powerline as the public carpark is needed for other users.
