Organiser Bullecourt Boulder Bounders

This event is being held in conjunction with the Junior Training Camp and will double as the Camp Champs. All participants in the camp should enter their desired course on Eventor but the fee will be covered by Orienteering Qld.

The Border Hills map was used for the second day of last year's Qld Champs and covers generally open to semi open paddocks and forest with areas of scattered to complex granite. Most of the area is grazed so runnability should be reasonable.
