<b>Classes</b>	Score, Easy, Very Easy
<b>Punching system</b>	SI
<b>Event form</b>	Individual
<b>Status</b>	Completed
<b>Organiser</b>	Range Runners Orienteering Club

This event will offer a score course using MapRun around the streets and very easy and easy courses using Sport Ident around Webb Park. The courses in the park are suitable for children, but anyone under 14 wishing to do the course around the streets must be accompanied by an adult.

You can walk, jog or run on your own or in a group. Newcomers are very welcome! Please note if you wish to do the course around the streets, you will need to download the free MapRun6 app, see links below. The course will be available from Friday before the event, but the pin number will be provided at the event. No experience needed as instructions can be given on the day.

For the street event, you have 60 mins to visit as many checkpoints as possible, but beware, there are penalties if you go over 60 mins! This challenge is all about timing and choosing the best route.

Entry Fees for members are \$5 per individual or \$15 for a family (2 adults and dependent children under 25). Non-member fees are \$8 per individual or \$25 per family. Anyone doing the courses around the park will need an SI stick, which can be hired for \$2.

Start any time between 4:00pm and 4:30pm. The courses will close at 5:30pm. If you can't make it but are interested in trying the MapRun course in your own time, please email [rrroc.oq@gmail.com](mailto:rrroc.oq@gmail.com).

If you are unable to enter here, please email [rrroc.oq@gmail.com](mailto:rrroc.oq@gmail.com) so we can ensure we have enough maps, thanks.

RROC AGM will commence at 5:15pm.
