All are invited to an Orienteering Instructor Course on Fri 20th Jan Starting at 8am and finishing at latest 3pm at Chermside Library / Seventh Brigade Park.

The Orienteering Instructor Accreditation course aims to provide "instructors" with the skills and knowledge required to deliver basic instruction of orienteering navigation, from beginners all the way through to high performing participants.

The course is designed to meet the needs of both:

1. School teachers wanting to deliver orienteering in primary or secondary schools.
2. Community members, which could be current orienteers, wanting to deliver orienteering coaching/skill instruction in community or school settings.

More information in the handbook can be found at the link on this page.
