This coaching event offers something for everyone. There are very easy, easy, moderate and hard line courses as well as a mass start hagaby for those wanting to experience a mass start. For school students born between 2004 and 2013 wishing to trial for the Darling Downs school team this event is ideal. Refresh your bush skills or experience a bush event for the first time. All newcomers very welcome, no special equipment required but leg covering is recommended as the rain has produced a lot of long grass (old jeans are good). See attached flyer for more information
