**Important Update (30 August):**

Start times: In view of the forecast hot weather, we'll be bringing forward start times to try and allow for slightly cooler running conditions. The official start window will now be from 8.30 to 9.30, but we'll aim to get underway as soon after 8am as we can.

Parking: Unfortunately we have not been able to get permission to use the originally planned parking site, so parking will now be under the powerlines on the entry road to Brisbane Koala Bushlands reserve, about 200m south on the other side of the road (<https://maps.app.goo.gl/euSyCeG2XGT3Q75H8>). The map on Eventor points to the assembly area, \*not\* the parking area. Allow about five minutes to walk back to the assembly area, and please take care crossing the main road.

Water: Some water will be provided on the course, but there is no drinking water available at either the assembly/download area nor at the Koala Bushlands. Please make sure you bring \*plenty\* of water with you - I would recommend at least a couple of litres per person if you're doing the longer courses.
