LATE ENTRY REQUEST. PLEASE COMPLETE NON-MEMBER REGISTRATION LINK.

First starts from 3.30pm.

For the experienced, Dylan B has set courses for you to practice your control flow. Particularly targeting those heading to Tassie for next weekend's NOL races. And those not lucky enough to be heading south, you just get a good course or two!

Learn to Orienteer: For newcomers and inexperienced orienteers, we will have coaches available for new comers. Before trying a course, we will conduct a map walk so you get to learn what symbols on the map mean and how to use them to navigate an orienteering sprint map.
