Learning to set courses will improve your orienteering skills, you don't have to be an expert orienteer! It is really important to have enough volunteers to run the computer at events to keep our fantastic club fantastic! Please register for the session/s you would like to attend. Session timing will be arranged to suit the participants. You don't need to attend the whole day - sessions will involve some group learning then time for practical work. Morning tea and lunch are provided. Email [rroc.oq@gmail.com](mailto:rroc.oq@gmail.com) with dietary requirements. A huge thank you to Wim and Lisa de Jong, City Sports and Spinal, for the use of the rooms at 64 Lindsay St, Toowoomba. There is some parking around the back - first in best dressed!
