Status	Completed
Organiser	Orienteering Queensland

Due to heavy rain at Amiens yesterday (even more than fell at Lode Creek) our proposed parking for the Cascades event has had to change. The paddock is very wet and unsuitable for all but our finish team, MESHO, coffee van and O gear shops. Follow the road directions in the event information from Stanthorpe, turn into Spring Creek Road but at the T-junction with Boatfields Road you will now be directed left instead of right. Parking will be along Spring Creek Road and will now involve a walk along Forestry Road into the arena. Depending on where you have to park, this may involve a walk of up to 600m. There are no set
start times so don't fret if you have a longer walk. Unfortunately, you will
probably get your feet wet as there is shallow water across this road. Any
queries, call Greg Keith on 0475 344 519.

Tomorrow's weather is expected to be fine and cool but after all this rain the rock slabs will be slippery so take care.

Liz Bourne on behalf of BBB
