Want to Learn to Orienteer?

This program will run on Sunday afternoons from 3-4pm, 13 & 20 October, and 3 & 10 November. It's for anyone who wants to learn to orienteer - all ages are welcome. The sessions run for an hour each week and will be run in small groups. Each session will focus on different skills and give participants plenty of opportunities to have fun exploring techniques to build confidence in using a map to navigate. Each session will be followed by a club event so you can practice your new skills! These events are listed separately on the Eventor calendar, and you need to register for each one you wish to attend. The coaching is FREE, but the events have an entry fee. See the event information for each one as listed on the Eventor calendar [eventor.orienteering.asn.au/Events](http://eventor.orienteering.asn.au/Events)
