Organiser Orienteering Queensland

The NEW MAP at Prout Rd is a go!!! AWESOME orienteering at this Sunday's OY.

Huge thanks to Mark Roberts for mapping this in a hurry, Lorenzo for checking sites, and our new friend from Switzerland Marius also assisting.

Our team cant wait to bring you this event because we are as excited to see how it goes as you are.

Runnability runs from good to physical, we have avoided the steepest areas. There is a complex track network giving lots of route options yielding great courses for Moderates and Easy participants with many options to "go direct and win the chocolates".

We are aiming for the Hard courses to have very little use of the tracks and go through challenging terrain all so close to Brisbane. If in doubt, run down a class, dont be deceived by the friendly distances, we are giving you a fantastic challenge.
