OQ Level 3 Controllers Workshop

Sunday 09th February 2025 09:00 - 09:00 EST

Classification	Local event
Discipline	FootO
Classes	Attendee
Punching system	manual
Status	Entries opened
Organiser	Orienteering Queensland

This workshop is designed for Controllers aiming to be accredited at Level 3. However, all experienced orienteers interested in becoming a controller are welcome to attend. You should have previously set/controlled/organised an orienteering event at club or state level.

The workshop will be held at the Environmental Earth Sciences office - next to Poolwerx, Shop 3, 1 Ross Street, Newstead. There is parking on site.

Lunch and coffee options are available nearby - food and beverages are included as part of the course.
