NOTE EARLIER START TIME
Anyone who missed the previous sessions is welcome to come along. This is a bush event, which is quite different to the previous 4 park events. There will be very easy, easy and moderate courses for those who wish to challenge themselves.

The session will run for an hour and will be run in small groups. There will be a girls' group and groups for families and adults. We cater for everyone! The session will focus on different skills and give participants plenty of opportunities to have fun exploring techniques to build confidence in using a map to navigate. The session will be followed by a club event so you can practice your new skills! These events are listed separately on the Eventor calendar, and you need to register for each one you wish to attend. The coaching is FREE, but the event has an entry fee. See the event information for each one as listed on the Eventor calendar
