4pm Sunday 9th Feb

Join us for an orienteering event. This follows the second Learn to Orienteer session. Newcomers are always welcome! Just wear a hat and walking shoes, and bring a waterbottle. Go out on your own or in a group. A great sport/activity for all the family from kids to grandparents!

You can borrow a compass. SI8 sticks may be hired for \$2. Controls units will be SI air enabled except for in an enclosed grid area where inits are too close together.

There are 4 courses on offer:

- Very Easy - suitable for young beginners to age 13
- Easy - suitable for beginners over 13, and experienced younger people
- Short - some navigational experience required
- Long - the ultimate challenge!

Note that in orienteering, course distances are by the 'red line'. You can't run straight through a building so a 2km course will often involve running up to 2.5km.

Please remember to bring a hat and sunscreen, and drink plenty of water.

Prices are: Junior Member \$6, Junior non-member \$9, Senior Member \$7, Senior non-member \$12. Family Member \$20, Family Non Member \$33. Pay on the day, cash or card.

Please pre-register to assist the organisers. Newcomers: If you do not have an Eventor login, you may send an email to [roc.oq@gmail.com](mailto:roc.oq@gmail.com)
