All ages and abilities are welcome to Plunkett Hills, Cedar Creek, on Sunday 20 July. This is a map that we have not used for a very long time and we are very excited to be hosting an event here. Plunkett Hills is a beautiful area of bushland offering some great technical orienteering with many possible route choices. It is well worth the drive out!

As usual we have a range of courses to suit all needs and ability levels, including:
• Very easy (2.5km - all on bush tracks)
• Easy (2.3km - on bush tracks and along significant features)
• Moderate (2.5km - close to bush tracks or significant features)
• Short (3km)
• Medium (3.7km)
• Medium-Long (4.3km)
• Long (5km)
This is a MapRun event but all courses will be fully flagged as well.

This registration and start/finish areas for all courses will be at the Western end of Flesser Road.

No need to pre-enter or register, but please let us know right away if you plan to bring a substantial group so we can print more maps.

Start between 9am and 11am with course closure at 12pm. Bring sound footwear and clothing suitable for the bush which may be scratchy and overgrown in parts. Non-member adults $10, kids $8, families $22.
