First starts for the public will be from 10.30am, with Junior Camp Champs starting at 10.00am.
'Jericho' is a 1:10000 scale, undulating to steep spur gully map with scattered rock and a complex creek system. Leg covering is recommended due to long grass and seeds, but this should be reduced at this time of year. To minimize the spread of weeds, could you please ensure your shoes and equipment are seed/weed free on arrival, and cleaned again before your next event.

You can go out on your own or in a group. Compasses can be borrowed, and SI sticks for electronic timing can be borrowed.

There are 8 courses on offer to accommodate all navigation and fitness levels:
Kid-O: 1.3km
Very Easy (VE): 1.8km
Easy (E): 1.9km
Moderate 1: 4.2km
Moderate 2: 3.2km

There will also be a Kid-O activity for the Under 10's. Kid-O is a program of games based orienteering activities for younger children. Kid-O sticker charts will be available at registration. Once completed (10 activities and 5 orienteering courses), juniors can claim their prize. All junior members born 2015 or later are eligible to participate. Sticker charts will be issued free of charge.
