Brand new delightful bushland map with gentle contours by Mark Roberts. Park at the event centre on the north side of Johnson Road east of Blunder Road and adjacent to the western end of Hub Crescent (very new road) - there is plenty of space on the grass. You will walk 500m along the fire road to the Start/Finish. This event will be MapRun with small flags. Long 4.8 Medium 3.1 Short 1.7 Very Short 800m (plus 500m walk in and 500m walk out.) No need to pre-enter. NB the only safe way to leave is east along Hub Crescent to the traffic lights.
