*****CANCELLED*****

Due to the threat of dangerous storms, the difficult decision has been made to cancel the Cyclones Sprint at Windaroo Valley SHS scheduled for 1st November. Safety is the top priority, not only at the event but getting to and from the event as well.

While it is not common to cancel based on a forecast, the extent of the forecast indicates conditions that would make it unsafe to proceed.

We appreciate your understanding, and refunds will be issued in due course.

The Cyclones Sprint Series is back for its 2025 instalment, featuring 5 rounds with exciting formats on new and recently updated maps. The series is a fundraiser for the Cyclones Squad to help cover costs associated with attending the National Orienteering League (NOL) in 2026. These top-quality events are the perfect opportunity to practice sprint orienteering at a higher standard of competition and have heaps of fun at the same time!
