Meeting point adjacent to Bradley Park off Henzell St.

The second event in a series in the Redcliffe area. Learn to Orienteer will visit local parks and schools. There will be courses and training for brand new participants as well as courses designed for experienced orienteers.

Pre registration preferred as a guide for map printing.

Long course - For experienced orienteers and beginners up for a challenge. Generally around 5km (if the map allows).

Short course - Designed for beginners and not as agile experienced orienteers.

Easy - Introductory course for families.
