There may be some rain, and you may get wet feet, but the event is going ahead.

This will be BBB's break up event with the opportunity to swim in the farm dams and maybe even paddle a canoe.

It will also be the OQ Club Relays + presentation of the OY awards.
Free for members.

Choose a Long, Short, or Easy course and your club will find a team for you.
• Long (Mod/Hard navigation) 5.2 km
• Short (Mod/Hard navigation) 3.1 km
• Easy 1.3 km
The Long course will venture into the north west corner of the former Amiens map and to some other bush areas so long O pants are recommended.
See the attachment for details of team composition and points.

** There will be Kid O activities and a course for the younger members
