Come and try orienteering in a fun and friendly setting. This is a scatter event. Get your full colour map and a start time. You have 20 controls to choose from marked on your map. Select 8 or 16 to find according to your course (Long or Short). You'll get some instruction, a map, and an electronic finger stick to record your run. When you start you look at your map and decide how you are going to collect your controls, 8 or 16 depending on your course (short, long). You'll need a reasonable pair of walking/running shoes and a hat and sunscreen.
