**Directions:**

Old Stanthorpe-Warwick Road, approx. 9km north of Dalveen. From the north, the shortest way is past Morgan Park. From the roundabout on Bracker Rd, turn south onto Old Stanthorpe Rd (signposted to Morgan Park). Stay on Old Stanthorpe Rd. Do NOT turn off to Cherrabah. This is mostly good gravel, and is about 25 mins to the assembly area, which will be signed on the right. If you go under the railway line you have gone too far. Take care on the narrow bitumen and gravel, and at the crests and watch out for kangaroos grazing beside the road. Alternatively, follow the New England Highway south (towards Stanthorpe) for 37km before turning left into Dalveen village. Pass the village and take the first turn to the left into Pine Crescent and then left again into the Old Stanthorpe Road (do not cross the railway line). Proceed for 9km, taking care on the narrow bitumen and at the crests and watch out for kangaroos grazing beside the road. The assembly area will be signposted on the left, just after the road crosses under the railway line. Follow through the paddock and park as directed. Allow 40 minutes from Warwick. From Stanthorpe, proceed 20km north on the New England Highway and turn left where signposted to Dalveen. The road loops back towards Stanthorpe and then left under the highway to Dalveen village. Turn right at Jim Mitchell Park into Pine Crescent and then left into the Old Stanthorpe Road and proceed as above. Allow 25 minutes from Stanthorpe.
