sent to Rob Simson
11 Pandanus Street, Sunnybank Qld 4109.

By Sunday evening , October 20th

Assembly Venue: Hilliard State School, Hanover Drive Alexandra Hills

Maps: Hilliard State School 1: 2500

Scribbly Gums Forest 1:10000

Relay format: Teams of 3, 5 courses, (two runners may be out at once)

Relay start: Mass start 10am (Registration from 9 am; briefing 9.45am)

Luncheon: 12 noon Catering by Hilliard SS Chaplain's committee
Cost \$12 per adult; \$6 for children 12 and under

Presentation: 1.00 pm for annual awards presentation including OY and special awards

Cost: \$15 per team payable by the clubs to TFO on the day

Format: This is a fun team event for mixed ability teams. It is a variation of a team scatter event with the added interest and excitement generated by a progression of relay change-overs. The **teams of three will be given five pre-marked courses to complete** – School course (easy) at 1:2500 scale, School course (moderate) 1.5km at 1:2500 scale. Street course scatter 2.5km, Bush course (moderate) 3km; Bush course (hard) 4km. Each course must be completed separately, with **only two of the team members and maps allowed out on a course at any time**. One of the team members must always be 'in bedlam' at the start/changeover area until all five courses are complete. A change over is by touch of hands. The teams has to include a female and either a junior (M/W 16 or younger) or a super vet (M/W 55 or older) Each of the team members has to complete at least one course. Adults may accompany children on the street
