Need some sand dune practice? This informal event makes use of the burned area of dunes at the northern end of the Spit. We have updated the map for better reading of negative terrain.

The burned section of the Spit is very exposed and the vegetation is scratchy. Full body cover and sun protection are strongly recommended.

If a storm or hot weather is forecast we will postpone this event. Please get in touch if you are unsure.

Please note late changes to start times and courses offered.

Courses:  
Easy 1.5km  
Moderate 3.3km  
Hard Short 2.6km  
Hard Medium 3.3km  
Hard Long 4.7km
