The Sunshine Orienteers are running a local club event in the Beerwah State Forest with a bush setting on forest tracks and trails. What a great way to lead in to the mountain bike orienteering year: for all of you adventure racers out there why not use this event as a warm up for the Kathmandu Adventure Race.

The Beerwah State Forest has been used a previously for mountain bike orienteering and has an intricate network of tracks, trails and paths that are ideal for this sport.

There will be 2 courses on offer, Medium - 15km (approx 75minutes) and Short - 7km (approx 60 minutes). This is a Come and Try It event and is open to everyone - mums, dads, children, families, elite athletes, adventure racers - you can compete individually or as a group.

There will be experienced people on hand at this event to assist and instruct any newcomers. All you need to participate is a bike and a helmet.

There will also be a limited number of mapboards available on the day at a cost of 5.00 each to hire - to reserve one you must email Dawn on [katti5@bigpond.net.au](mailto:katti5@bigpond.net.au)
