

The Browndog Challenge

Sunday 17th December 2017 06:00 - 12:00 EST

| Classification | Club event | Browndog Challenge" |
|-----------------|------------------------------------|--|
| Discipline | FootO | Rules are simple |
| Classes | This event has no classes | An 8.439km circular course will be mapped out starting and ending at Riverway You will have 6 hours to complete 5 loops (5 × 8.439 = 42.195k marathon) You do as many loops as you want to or can in that 6 hours (just walk one if you want) There will be a number of checkpoints to ensure you do full distance - see BM You must be fully self supported - take own water snacks etc. Given map but easy to read and no compass required You must comply with any other rules that I decide on |
| Punching system | manual | |
