This will be a score event - points will be allocated to different controls on the map and there will be a 40 minute time limit for all courses

Runners can obtain all controls if they wish, within the time limit. Points will be assigned to each control. There will be 5 X 30 pts, 5 X 40 pts, 5 X 50- pts, 5 X 60 pts controls on the map. That will be a total of 20 controls scattered on the map. A 30 point penalty will apply per minute or part thereof that a competitor is late. A late finish of more than 15 minutes after the time limit will result in scoring 0 points. If competitors have the same score on completion then the elapsed time on course will be used.

Note: There is no requirement to actually run 40 minutes or get a set number of controls. Anyone can come walk/jog/run and find any number of controls. Competitive runners in each of the classes will have their score compared based on the course they would normally run.

This event is a fantastic opportunity to bring along a friend and have a go without the requirement to find a set number of controls.

**Starts:** There will be a mass start at approx 6.30pm. Late comers will have a manual start between 6.30pm and 7pm.

**Cost:**

Type (member/non-member)

Adults \$5.00

Family max \$15.00

SportIdent will be used

This is the last event in this series. We hope all who have enjoyed these events will come back on the 12th August for another series. If you have enjoyed these events or know somewhere we can improve please tell us. We hope to see some of you at our other events held each week.
