Upside Down 8 hr Rogaine at Cedar Creek. Go to the Qld Rogaine website for details.

<http://qldrogaine.asn.au>

The Queensland Rogaine Association presents the Plunkett Junket Upside-Down Rogaine, 15th-16th Feb 2014.

The Plunkett Junket...with a touch of Wickham... is a great way to start the 2014 rogaining season. The Upside-Down is a favourite for many and a great chance to test your night navigation skills. This year's event is being held in Plunkett Conservation Park and Wickham National Park. This could be the year you clear the course in this tightly packed area...however there could be some interesting "timed bonus points" that could see you come unstuck...

When: 15th/16th of February 2014 - map handout at 9pm for 11pm start and finish at 7am Sunday

Location: Cedar Creek - 40km south of Brisbane, 40km north of the Gold Coast

Duration: 8 hours (at night)

Cost: Adults - \$30; Concession - \$20; Accompanied under 15's free

Other: Breakfast will be provided after the closure of the course followed by the Qld Rogaine AGM. This is an opportunity for those who would like to be more involved with the association to undertake a role, continuing the sport of Rogaining in Queensland.

If you are looking for a partner, post your details to the ["Find a Partner"](#) page on the QRA website or the QRA Facebook page, or get in contact with the folks who have already registered their interest there. We hope to see you at the event!

Detailed event information will be sent to all entrants in the week before the event.

Entries Close: **Wed 12th February**.

***For more details:***
