"The Prancing Pony is a hobbit friendly and cart friendly course. Once there hobbits may prefer to stop for refreshments - is it too late for second breakfast? Most certainly! But there will be sugary drinks on hand.... Sauron's Revenge Course will make you wonder if you'll ever get to the summit of Mount Doom. Will the Fellowship stay together? Will you need more than one eye to read the map? Finally you can destroy The One Ring and complete your quest to save Middle Earth? Luckily it's sprint-street-O and you'll be done by nightfall "
