OK the votes are in and there is enough interest for JCU NIGHT-O (woo hoo) ... as I have mentioned a few times on facebook, JCU is looking amazing at the moment, it has been burnt out by fire and the ground is FAST and FUN - no scratchy stuff and good visibility !!! So we are going to sort out a sprint event - BUSH, URBAN and COMBO - so no excuses, grab a mate, come out for a quick run and then you can hit the nightclubs (or bed !!)

* Date - Saturday 13 October

* Time - Start from Dark O'clock (so probably 6.30pm, but we'll get ready 6pm onwards and start as soon as it gets dark enough. so maybe 6.15pm !!) courses close at 9pm

* BYO Equipment - Comfortable walk / run attire, HEADLAMP or TORCH per person

* Supplied - Maps, Clue-sheets, Navigation Instruction, finish drinks and water
