This event is open to all ages and abilities. Coaching available for newcomers, all welcome! Just wear comfortable shoes and a hat. Compasses can be borrowed if required.

There will be Very Easy and Easy courses around the park, plus a 45 minute score event Street O using the Smartphone app. Download the instructions (see the documents to the right of screen) on how to load the event before Sunday. Can be loaded on the day if you have data on your phone.

For the experienced, there will be an ultrasprint around the park - 3 short races, with no control numbers, just descriptions. The 3 times will be added together, and a 1 minute penalty given for each wrong or extra control punched. :)
