An event with a difference - race head to head on a multi loop course! Challenge a friend, then meet up on Sunday and start together. Sorry - Hard 4, Easy and Very Easy do not have this option. They are normal courses. Having a partner to race is not essential, you can start on your own, or you can find someone on the day. Online entries may help with finding partners. All online entries very much appreciated for printing purposes. There will be limited extra maps available.

The forest is very dry, making it mostly open and very runnable.

There will be sausages, cakes/muffins and drinks for sale.
