This event is a 'long O'. It is on a 1:20000 rogaine map for the Hard courses and Moderate 1, and 1:15000 for all others. There are fewer controls meaning longer legs.

This is undulating terrain, with few steeper areas. It is fast and runnable with no prickles and very few grass seeds. There are cattle on the property, but all the ones we met were very keen to avoid human contact.

Competitors can go out in teams of up to 3 if they wish. All competitors must still punch each control

There will be a **mass start for all Hard courses at 10am**. All these courses will start with a short scatter on a 1:15000 map. You will then return to the finish, and be given a new map on a 1:20000 scale.

Starts for **all other courses will be at 2 minute intervals after 10.00am**. Starts close at 12 midday.

There are 2 Very Easy, Easy and Moderate courses. These are independant, so you can do both without going over the same terrain. Moderate 2 is on the 1:15000 scale map, Moderate 1 is on the 1:20000 map. A second course for the same person will cost \$3.

There will be lollies, fruit and fruit cake provided on all courses.

There will be sausages, soup and cakes for sale.

There will be coaching available. If you would like to be included, please ask at registration.

NOTE: QRA MEMBERS PAY OQ MEMBER PRICES ON THE DAY.
