This "Come and Try It" sprint event is being held as part of the OQ Training Camp at Leslie Dam and is free to all participants as well as to other newcomers. It will be run as a smartphone event using the MapRun App so bring along your phone if you have one or borrow one at the event. Easy to use and lots of fun!

Refer to the " Documents and Links" section for detail on where to download the App and load the map before you get there.

Entrance to Queens Park is off Alice Street and through the main gates. There are toilets and shelter sheds nearby.

Assembly will be on the south-eastern end of Alice Street, near the hexagonal gardens, so you can also park on Alice St. itself.

Be sure to read the INFORMATION FLYER for hints on how to use "MapRun" App and where to find the courses for the Queens Park events
