Today's Orienteering event is on the brand new map of Magic Mountain - that's Miami State High School, plus a steepish bush-clad mountain (otherwise known as North Nobby), streets, parkland, foreshore and Nobby Beach.

We have an Extremely Easy course for the very young, a range of Very Easy and Easyish courses within the school campus and up on the mountain, plus a long course which crosses streets to the beach.

Coinicidentally the regular Gold Coast Organic Market and also the Family Wellness and Lifestyle Expo are being held at the school before and during our event; the Bonjour French Festival is on in Southport, but you might want to avoid Schoollies at Surfers Paradise.

Please download and share the PDF Flyer for this event.
