Park Orienteering plus Street/Reserve Orienteering

Today's event is a re-run of the event we had here on a dull day in May when few turned up. We are based at Central Park in Pacific Pines, offering an Extremely Easy course within sight of the Start/Finish, a Very Easy Short which stays within the Park and crosses no roads, a Very Easy Long which crosses one road with a median strip at a well-signposted crossing point, and a variety of longer more challenging courses which tour the streets and reserves of the suburb.

Thanks to Pacific Pines State and State High Schools who have again given their permission to run through their grounds.
