Borrowing ideas from Ian Jessup from Garingal Orienteers, we will have a new format for the final Thursday event.

For all courses, you will have a forked control, one of which MUST be visited.

As well, all courses will have a box with 6 controls within it, ALL of which MUST be visited, but in any order you fancy.

For the rest of the controls, you may choose NOT to visit one of them. But which one will you leave out???

You must punch the controls you visit, in the corresponding boxes that will be laboriously drawn on your map....the extent of my artistic skills.

Those who mp or dnf will have to go hungry.....only joking.....

Have lots of fun!

This is the Mid Week Christmas Break Up.

Bring a plate to share. BBQ available. Drinks will be supplied.

Everyone who is a member of OQ or a regular of Mid Week is welcome.

Su Yan is organising the runs, but they are not mandatory!
